

DEPARTMENT OF THE ARMY
UNITED STATES ARMY SECURITY AGENCY
ARLINGTON HALL STATION, VIRGINIA 22112

DDIS 68-1725

2 APR 1968

REC'D 3 APR 68

SUBJECT: Demonstration of LEFT OUT (U)

Deputy Director for Support
Attn: Mr. Robert L. Bannerman
Central Intelligence Agency
Langley, Virginia 20505

1. Interested personnel of your organization are invited to attend a demonstration of the Radio Frequency Monitor System, AN/RSQ-90 (LEFT OUT), at Vint Hill Farms Station, Virginia. This facility is a transportable USASA system that has been packaged in a mobile and versatile field configuration as illustrated in the inclosed brochure.
2. The system will be available at Vint Hill Farms Station for demonstration at 1400 hours on 10 April 1968.
3. Please advise LTC Robert N. Miller, OX 3-6232 of your attendees and their clearance status.
4. The demonstration will require a SECRET clearance.
